

# A MESSAGE FROM OUR CLUB PRESIDENT COACH STEPHEN

[REBELSRUGBYGA.COM](http://REBELSRUGBYGA.COM)    

The leaves have started to fall, and the Rugby has begun to rise. We are now into the new 2022/23 season and are excited to see returning faces and some new faces coming to Tuesday and Thursday conditionings. We are excited to show our progress across all age groups and how we are creating a family rugby club. We stand by of values of Sportsmanship, respect, discipline, teamwork, and enjoyment, which are not only our players, coaches, and team managers but parents and everyone involved in our club.

We look forward to seeing everyone back in the coming weeks after the football season ends. This season is going to be a great one. **Let's play RebelsRugby!**

## CLUB HOUSEKEEPING REMINDERS ...

**TeamSnap** - All high school players (expected to be accountable themselves), and parents of younger players, must have the TeamSnap App loaded on their phones. TeamSnap is the primary tool for the coaches to communicate directly with the players at all times. Please let us know if the player or any family members require a new invite to TeamSnap.

- **Availability** - we ask that all players/parents be respectful and accountable by keeping their availability for each event current. The coaches plan sessions according to the number of players and support available. **Help us help you!**

**Practice Jersey** - your player should have received their jersey this week - if not, please look for Ms. Amanda at Tuesday night practices - she'll be there handing out jerseys to those **fully registered across all three platforms** - this includes updating player profile (pic too) in TeamSnap with USA-ID.

**Shared Photos** - we welcome all to take and share their favorite photos during practices, matches, and tournaments. All parents appreciate the memories and seeing all the fun our Rebels are having.

**Upload your photos to the shared drive. here:**
